The innate human longing for comfort is undeniable. However, Jesus challenges us to step beyond the boundaries of our comfort zones and venture into the profound realm of faith, aptly described as trust zones by Cecil Taylor. These are the spaces where we dare to take risks in service of Christ's Kingdom. In this enlightening exploration of the Bible, Cecil Taylor delves into 12 narratives of Jesus encouraging individuals to forsake their comfort zones in favor of trust zones. Through insightful interpretation, he unveils the valuable lessons these stories impart for contemporary followers of Jesus.
