Quality options for your church or small group

What is Instant Content?

Trusted lessons you can share with your class rapidly and with ease

Easy to Use

Every video and book study can be led as Sunday School curriculum by using a detailed Leader's guide that includes lesson notes, questions, and goals for the leader, while still giving flexibility for individual interpretation.

"As a session leader without much time, I was able to watch the video and prepare easily for the sessions. It is all laid out for you in an organized and precise way. Cecil does a phenomenal job of doing the majority of the legwork and preparation."

- Rev. Trevor Kennedy, Good News Church, Leander, Texas

Scripturally Sound

Cecil reaches into the Bible for the scriptural basis of living a seven-day practical faith as Jesus' followers. Cecil's teachings are not tied to any denomination's Biblical interpretation and represent an orthodox view focusing on principles all Christians treasure.

"Our church strives to be biblically-based and doctrinally orthodox. So, when we invite teachers into our classes, we are always careful. Cecil knows his Bible and wants his students to gain a deeper appreciation for Scripture."

- Dr. Scott Engle, Teaching Pastor, St. Andrew Methodist Church, Plano, Texas

Great Discussions

One of Cecil's most cherished teaching goals is to foster great discussions. Through his style and encouragement, through his selection of content, and through the questions and guidance found in the Leader's Guide for each study, Cecil leverages his vast teaching experience to stimulate discussion within your group.

"Because you were vulnerable in your content, the class was able to be vulnerable with each other during the discussion."

- Joan H., small group leader

<i>Part 3: What the Tree Needs</i>			4 weeks	<i>Shows how we can replenish ourselves.</i>

“ An essential read for those seeking to deepen their faith, challenge their status quo, and engage more fully with Jesus’ teachings.
- Sung Sik Yoon, Amazon reviewer ”

Participants will identify comfort zones they didn't know they had and will feel inspired to take risks for Christ.

Christ is always calling us to deeper levels of faith and commitment. Cecil walks through a dozen scenarios where Jesus invites people to take risks for his sake, describing the comfort zones people should leave and the trust zones they should enter. Then he breaks down what each scenario means to us today and how Jesus is urging each of us to go deeper in our faith as we serve him.

The Next Thing

A Christian Model for Dealing with
Crisis in Personal Life

Cecil Taylor

“ **The Next Thing** could be one of the essential books in your life that you go back to time after time when crises overwhelm you.
- Pat Warren, editorial reviewer ”

A general-purpose toolkit to process any kind of crisis.

Starting with the worst day of his life, Cecil Taylor takes readers on a journey through various crises to introduce the concept of "The Next Thing" and a four-part model for addressing each crisis. He offers practical tips, along with the scriptural underpinning, for simplifying, trusting, resting, and grieving in response to crisis.

Live Like You're LOVED

Fully accepting that you are:

Loved
Forgiven
Sent
Eternal

Cecil Taylor

Author of "The Next Thing"

Most popular work

- 4.9 rating for 53 Amazon reviews
- Highest sales
- 2023 Oasis Award (top prize for nonfiction)

A profound and uplifting book that touched my heart in ways I didn't expect.
- Michael E. Morecino, Amazon reviewer

This study will cause participants to feel closer to God and motivate them to make changes to live abundantly.

Despite Christianity's message about who we are and what has been done for us, guilt, shame, and self-loathing can weigh us down. This book emphasizes four Biblical truths: You are loved, forgiven, sent, and eternal. Cecil Taylor walks through each truth's scriptural basis then illustrates a life lived in each truth, transforming us as we trust in God's intention for us.

Leader Guide and Participant's Guide available

"The SAIL steps prompt readers to make a genuine investment of mind, heart, body, and time, so each individual step becomes part of a meaningful spiritual journey."

– Rev. Liz Moen (ret.), editorial reviewer

The Legacy Tree:

A Christian Model for a Life of Significance

“

Thought-provoking. It sticks with you, because the tree symbolism is memorable.
- Michael H., class participant

”

A structured life model showing how we can provide significance to God's kingdom.

The Legacy Tree uses a tree metaphor to teach us how we can build significant lives. A tree is significant; it stands tall, spreads wide, and lasts for generations. Trees also take care of each other in amazing ways that are revealed during the lessons. We need to care for the human forest in the same way.

- What the Tree Is: Roots, Trunk, Branches, and Fruit.
- What the Tree Provides: Shade, Seeds, Home, and Sacrifice.
- What the Tree Needs: Dormancy, Nourishment, Pruning, and Sunshine.

Leader Guide and Participant's Questions available

"The Legacy Tree is a wonderful study in reminding us who we are as Christians and why we do what we do in His name. I would highly recommend it for a self-led small group at any stage." – Joe R., small group leader
